introducing MY PROFILE

About me

Hi I'm **Angelina Safara**

I am a vocational school graduate with internship experience as a graphic designer, I have high enthusiasm for working in the world of graphic design. With experience in graphic design, such as use of design software, design principles, and visual communication, I am confident that I can bring a new and innovative perspective to every project I work on. Let's create inspiring and impactful work together!.

Project 3

Product Label Design

For assignments in the Crafts and Entrepreneurship (PKWU) subject, students are required to make product labels. I looked for product samples then designed the labels.
